# Uglow outstanding in Torexe double

TOREXE Volleyball Club produced an outstanding all-round display to continue their good run with a Royal Bank of Scotland National League Division Four double at Clifton Hill Sports Centre.

They first defeated title favourites MGI Wessex (Poole) 3-1 and then, after MGI had beaten Cardiff Colts 3-0, beat the Welsh team 3-0.

Captain and setter Mike Uglow had a tremendous day for Torexe as each player contributed to the fast exciting style that the Exeter-based team play.

★ ★ ★

Mariners Weigh Torexe continue their Girobank South West Premier League features with games against Exeter University and Bristol University at Exeter University tomorrow.

Both student teams are something of an unknown quantity as they rely on new players each year, although Exeter will be strong as middle hitter Andy Marshall — who plays for Torexe's National League side — will be dominating at the net.

Much of Torexe's success will depend on the quality of the setting which will need to be at its best to allow captin Ian 'Scouse' Williams to make the most of his hitters.
