

# VOLLEYBALL

**TOREXE** play their last home National League fixtures of the season at Clifton Hill Sports Centre, Exeter, tomorrow when they meet MGI Wessex, from Poole, and Priory, from Weston-Super-Mare.

The games will start at 11.30am and spectators are most welcome. International and English Volleyball Association staff referee Dan Dingle will be in charge.

Last Sunday's games were played at Weymouth College. There were no problems with team selection as only six players were available, but even with this much reduced squad Torexe performed strongly to beat Carshalton three sets to nil in less than an hour, followed by a 3-1 victory over Weymouth.

One reason for the shortage of players was the absence of star middle hitter Andrew Marshall who was in Glasgow playing a large part in the British Students' fine third

place finish in the British Mens championships.

The team lost to England and Scotland's International squads but defeated Wales and Ireland. This result rounded off a good week for Andrew, an Exeter University student, who was also included in the final squad of 12 to represent Britain in the World Student Games, in Sheffield next summer.

In Division 2 of the Exeter and District League injury-hit Torexe Lance Ceramics face a big challenge at the top from Teignmouth B, strengthened by new signings Matti Murphy and Sam Garner, when they meet this weekend.

Teignmouth hitters Murphy and player of the match Paul Hunt played a big part in their convincing 15-6, 15-6, 15-6 victory over Torexe Pinder Fashions.

Recently sponsored Sandford and Shorland Panthers crushed Culm Valley Vultures 15-0, 15-3, 15-4

thanks to good work by effective centres Pete Norman and Steve McMahon and good serving by Player of the Match Liz Witte

## Division 4 South

	P	W	L	Pts
