

## VOLLEYBALL

## Firm support for Wonford

**WONFORD VOLLEYBALL CLUB** have received a sponsorship boost from two Exeter firms who will provide new kit for their league teams.

Local building and loft conversion company Showrisan and Exeter based plumbing and heating company Sandford and Shorland have agreed to back a team each. From now on, the teams will be known

as Showrisan Beta Blockers and Sandford and Shorland Panthers.

"It's a great help to have such support from local businesses, especially for a relatively new club such as ourselves," said Wonford chairman Jerry Fardon.
