

# Selkirk win national nomination

THE Exeter & District Volleyball Association's ladies tournament is to be resurrected this April after a two-year absence.

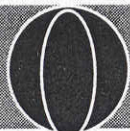

The venue is the newly equipped, double court facility at the Dawlish Leisure Centre, on April 23 (12.0).

The organisers want a total of eight teams. Looking at the list of teams that have already entered, the standard of play should be of a good mixture, with most of the players from the top of the South West League taking part, including the 1994/95 champions, Torexe Selkirk UK of Exeter.

The Selkirk team have also been awarded this year's South West's nomination for a 1995/96 National League entry. This is the first time an Exeter-based team has received such a nomination. It considers the team's playing skill, the clubs organisation, sponsorship and playing depth and is not just awarded to the team which finishes top. If successful, they will be the most southerly locat-

ed team in the country, and can look forward to plenty of motorway travelling next season.

Other ladies entries have come from the Barnstaple based Wrafton Labs team, who are currently second in the SW league and Exeter's Torexe Chimneys who lie fifth.

We can also expect a number of local beginners' teams to fill the remaining places. One of these is Torexe beginners, a team made up from the ladies who are currently taking part in the weekly beginners session at Clifton Hill Sports Centre. Other entries have been received from KEVICs of Totnes and Wrafton Beginners.

**EXETER College** kept up the pressure at the top of the table with a fine 3-0 win over **Torexe**

### Sharks.

Sharks put up a spirited performance with Dave Reece and Karen Gaywood playing up from Torexe Crusaders. However, College proved too strong and won 15-11, 15-12, 15-7 with Shark Kath Towl nominated as player of the match.

This victory puts College eight points behind leaders Wonford BetaBlockers but they have three games in hand.

The College are a very competitive team, but they will have to be a little wary as they became the first team to have a player red-carded this season.

**Wonford Betablockers**, with the early return of spiker Mark Waugh following injury, were able to field a full-

strength side against Division 1 strugglers **Serving You** who had no answer to the Wonford attack and lost 15-3, 15-6, 15-4.

Blockers' outside spiker Stu Gibbs was voted as man of the match.

Last season's champions, **Torexe Aardvaks**, beat **Crediton Spartans** 15-5, 15-5, 15-6.

Aardvarks have only played six times this season, and have only lost once, so they are still title contenders.

Anthony Towl and Paul Bray were the players of the match.

In Division 2, **The King's School** made a great start against **Channings Wood**, taking the first set 15-3. However, they lost the second 15-5 but came out on top 15-12, to consolidate third position.
